Coniston View is a luxury lodge park based on the hillside above Aldingham on the Furness Peninsula and boasts a rare combination of coastal and countryside qualities. Beautiful pebbled beaches are just a stone's throw from your lodge with stunning Lake District panoramas just over your shoulder.

Our spectacular location is exclusive to our community of owners, with gated entry and no public footpaths on-site, meaning that tranquility and serenity are guaranteed.

While nestled in a secluded spot, the nearby market town of Ulverston offers an abundance of amenities and hospitality within easy reach.
