

# **GOLF RULES & SAFETY MEASURES – COVID 19**

## **BRIDLINGTON LINKS GOLF COURSE**

**29 March 2021**

Our aim remains to ensure that the facilities at the Bridlington Links Golf are made available in a safe and controlled manner following guidelines from various professional bodies, predominantly England Golf, and ultimately our Government.

We will follow the guidelines as outlined on the “roadmap” published by the Government– **and we ask that all our members take personal responsibility for this.**

Our procedures are as follows:-

- The Course will open again with effect from 8.00 am on Monday 29<sup>th</sup> March 2021. We will open both to members and visitors.

- The Clubhouse will remain closed other than for access for the use of the toilet facilities – see below.
- Pre Booking of tee times remains **mandatory** (via the Pro Shop) – 9 minute tee slots will be allocated. We must continue to avoid social gatherings.
- Access to the toilet facilities will be available **(From 9.00 am)** via the rear locker room entrances although players are asked to be prepared to play on arrival to minimize usage. **Until further notice please refrain from using the locker room for club storage and changing.**
- Please consider where you park in the car park to aid the current social distancing rules.
- **You must report to the Pro Shop prior to teeing off, which will be open from 8.00 am. One person at a time please in the shop.**
- Please strictly maintain the current 2 meter social distancing rules at all times when at the golf club.
- All Flagsticks should remain in the holes to avoid unnecessary contamination.
- Bunker rakes will be removed for the same reason above. Please smooth bunker sand with your shoes/club. (Personal rakes are available for purchase from the Pro Shop)

- Golfers are **asked to leave after finishing their game** to avoid any “social gatherings”

Our course has and will continue to be maintained to the best of our ability as manpower allows, and we ask that everyone respect that this is sometimes challenging but we will continue to work hard to keep the course, fairways and greens in the best condition possible.

Thank you for your co-operation, stay safe and enjoy your game.

## The Driving Range

- The Driving Range will be open from 8.00am to dark.
- Please strictly maintain the current 2 meter social distancing rules at all times
- Ensure that only one person at a time uses the ball dispenser.
- Please use only your own golf clubs and gloves.
- A sanitizing station remains sited at the Driving Range for you to use.
